G & S Logistics specialise in third party logistics and fulfilment, performing fulfilment services for major retailers across Australia.

Our services include;

- Storage
- Scan based fulfilment
- B2B and B2C fulfilment
- Kitting and assembly
- Cross docking
- Inventory management
- Containerised freight
- Pre-retailing – fashion, footwear and accessories
- EDI services

Working in partnership with our customers, we offer an end to end service that drives efficient, cost effective results for our customers.

Start date 1/09/2017. End Date 31/01/2018.
